## About Pinnacle

Pinnacle Technology Group plc (AIM: PINN) focuses on the business market across the UK. We provide a wide range of converged managed solutions including Managed Support Services, Unified Communications and Collaboration, IT Security, Communications and Mobility, Software as a Service (SaaS) and Infrastructure services.

Broad experience, innovation and impartial expertise puts Pinnacle in best place to design and deliver cost effective new technology solutions for its customers. Pinnacle work with some of the most prestigious organisations in the UK, who rely on us to deliver robust technical solutions that deliver value.

Pinnacle is a fully licensed Public Telephone Operator, has its own telephone network and interconnects with BT, Vodafone, Talk Talk Business and Virgin Media. It has its own hosted voice (VoIP) platforms and engineers and owns Scotland's oldest ISP and a founder member of Nominet, operating from its data centers in Glasgow, Edinburgh and London.
