#### About Pinnacle

Pinnacle Technology Group (AIM: PINN) focuses on the business market for IT and communications services across the UK. Having grown since inception both organically and through a series of acquisitions, Pinnacle Technology offers a wide range of IT managed services and solutions including Managed Support Services; Unified Communications and Collaboration; IT Security; Voice, Broadband and Mobile Communications; Hosted Services and Infrastructure services.

Pinnacle Technology operates as a value added reseller and integrator, and is focused on providing these services both as an integrated offering to the SME market- providing them with all their technology and communications needs- and more broadly to the mid-market and public sector. Having years of experience in leading edge innovation, dedicated support, and offering impartial expertise, Pinnacle is best placed to design and deliver cost effective new technology solutions for its customers.
